Sir:

On 29 July 2003, the undersigned attorney for applicants, telephoned Examiner Neal Berezny in connection with the Office Action dated 6 May 2003, in connection with the above-referenced U.S. Patent Application. Applicants' attorney explained to Examiner Berezny that he believed there were errors in paragraphs 6 and 7 of the Office Action which made it impossible for him to prepare and file an appropriate Response to the Office Action. Examiner Berezny reviewed the Office Action and agreed with Applicants' attorney that there were errors in paragraphs 6 and 7 of the Office Action. Accordingly, Examiner Berezny indicated to Applicants' attorney that

the Office Action dated 6 May 2003 was being withdrawn, and that a new Office Action would be issued shortly.

Respectfully submitted,

VOLENTINE FRANCOS, P.L.L.C.
